

MOHAMMED SHOAIB KHAN

3D Artist — Real-Time Environments, Materials & VFX (Unity)

+91 9610140310 | k.shoaib9227@gmail.com | Noida (UP), India | [linkedin.com/in/shoaibkhan2](https://www.linkedin.com/in/shoaibkhan2) | khanshoaib.artstation.com

SUMMARY

3D Artist with 5+ years modeling, texturing, and lighting environments and props for real-time and interactive experiences. Proficient in Unity, Unreal Engine, and Embergen for real-time VFX, with strong Blender/Maya/ZBrush and PBR texturing skills. Experienced leading production pipelines and mentoring artists while collaborating closely with developers.

PROFESSIONAL EXPERIENCE

Senior 3D Artist

Metaverse911 - Metaverse Experience Centre | Mar 2025 – Present | Noida (UP), India

- Model, texture, and light high-quality environment, prop, and product assets using Blender, Maya, and ZBrush for immersive, interactive metaverse experiences.
- Build materials and real-time-ready assets, applying PBR texturing and lighting choices to reinforce mood, story, and interactivity within each scene.
- Own the end-to-end asset pipeline from concept through final integration, working closely with developers and other departments to bring visuals into interactive systems.
- Lead and mentor a team of intern 3D artists, providing creative direction, technical guidance, and hands-on feedback throughout production.

Executive Modeling and Texturing Artist

XS Worldwide India Ltd | May 2022 – Feb 2025 | Noida (UP), India

- Modeled and textured environment and prop assets for multiple client projects, balancing artistic detail with real-time technical constraints.
- Worked directly with art directors and leads to build assets, incorporate feedback, and iterate quickly through revision cycles.
- Coordinated with project managers and clients to ensure asset quality and specifications met project and technical requirements.

Executive Modeling and Texturing Artist

Expoodle Tech Pvt Ltd | Jul 2021 – Apr 2022 | Noida (UP), India

- Collaborated with the art director and lead artists to design, model, and texture 3D assets, iterating based on feedback.
- Worked cross-functionally with other artists to maintain consistent visual quality and hit production milestones.

EDUCATION

3D Course — Modeling, Texturing & Animation

Maya Academy of Advanced Cinematics (MAAC) | Apr 2019 – Sep 2020 | Preet Vihar, New Delhi, India

- Covered modeling, texturing, and animation using Maya, ZBrush, Substance Painter, and Photoshop.

B.Tech, Electronics and Communications

Amity University Rajasthan | Aug 2012 – May 2016 | Jaipur (Rajasthan), India

- Completed a rigorous and comprehensive Bachelor's degree program focused on electronics, communication systems, and signal processing.
- Actively participated in extracurricular activities and workshops to foster personal growth and develop a well-rounded personality.

CORE SKILLS

Real-Time Engines

- Unity (Scene Building, Materials)
- Unreal Engine (Asset Integration)
- Real-Time Optimization

VFX & Simulation

- Embergen (Real-Time Particle & Fluid Simulation)
- Effects-Ready Asset Prep

Modeling & Sculpting

- Hard-Surface Modeling
- Environment & Prop Art
- Retopology
- Sculpting

Texturing & Materials

- PBR Texturing
- Material Authoring
- UV Unwrapping
- Substance Painter & Designer

Lighting & Mood

- Scene & Studio Lighting
- Look Development
- Immersive Storytelling

Collaboration

- Cross-Functional Work with Developers & Art Directors
- Pipeline Management
- Team Mentoring

SOFTWARE

- Unity
- Unreal Engine
- Autodesk Maya
- Blender
- ZBrush
- Adobe Substance Painter
- Adobe Substance Designer
- Adobe Photoshop
- Embergen
- Plasticity
